

# Benefits of Working with LBC Mortgage

## ● Referrals

We receive a lot of inbound leads from eager potential homeowners looking for pre-approval. After providing this assistance quickly and efficiently, we refer these candidates to our trusted referral partners.

## ● \$100 Million Under Management

We use our own funds & currently have 100 million dollar invested in our hard money side. We're decision-makers on hard money loans.

## ● Agent Power Program

Boost your real estate business with a free app, smart CRM, marketing tools, and expert support — all designed to simplify your workflow and help you close more deals.

# Here's how we can make your job easier:

## ● Unique mortgage programs

Our exclusive mortgage programs allow realtors to make sure they can find a perfect fit for their customers.

## ● Realtors workshop

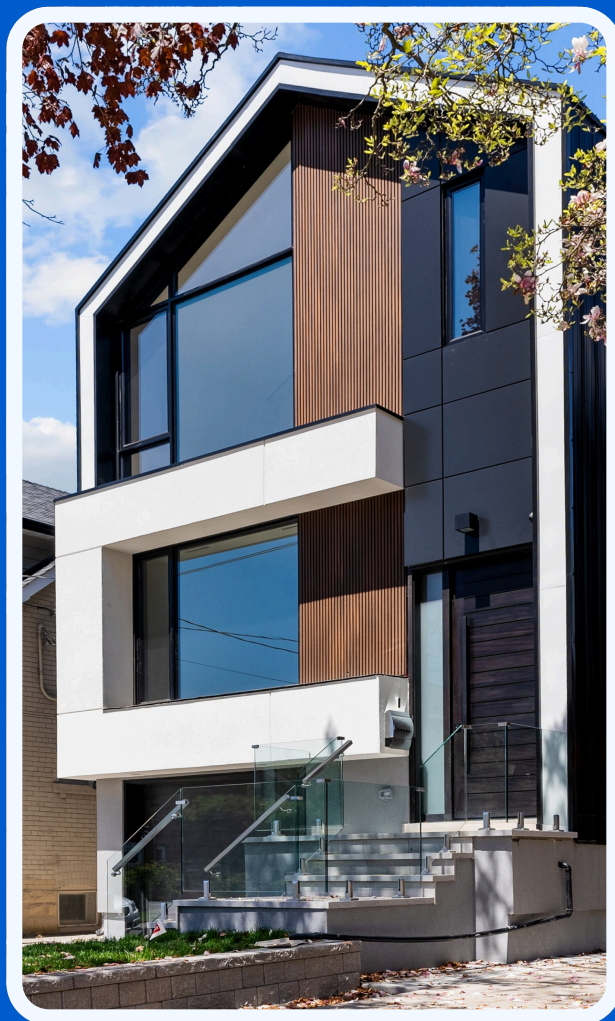

We also understand how important it is for realtors to stay up-to-date on the latest trends when it comes to real estate, which is why we hold regular educational seminars designed to help you become more successful in your field.

## ● 100+ Approved lenders

With more than 100 lenders in our network, we can provide more options for our clients and guarantee the best possible terms and conditions.

When it comes down to it, LBC Mortgage is focused on helping realtors succeed in the mortgage industry through access to resources and expertise that will assist them in finding the best options for their customers and boosting their own brand.

**We believe that when our customers win - everyone wins!**
